

# Welcome to the Cleveland Way Accommodation Guide

This booklet is produced for users of the Cleveland Way National Trail. It gives information on facilities available and a wide range of hotels, bed and breakfast, campsites and hostels along the route. In addition this year we have introduced additional new details, such as the contact number for pubs, shops and Doctors along the route. This will make it easier for you to enjoy and plan your walk. For example you can ring ahead to check if a pub is doing lunches on a certain day. Most addresses are on or close to the route and none are further than three miles distant. During the summer it is highly advisable to book accommodation in advance so you are not disappointed at the end of the day to find that all the accommodation is booked up. We also recommend that you consider starting midweek or reverse the route to start from Filey – if you are struggling to find accommodation.

All the bed and breakfasts and hotels within this guide have been, or are awaiting inspection, either by the English Tourism Council, AA or RAC.

## Hotels ★★★

Hotels are given a rating from 1 star ★ to 5 stars ★★★★★ depending on the level of service, range of facilities, standard of food and quality of guest care.

## Guest Accommodation ◆◆◆

Small hotels, guest houses, bed and breakfasts, inns and farmhouses are rated with from 1 diamond ◆ to 5 diamonds ◆◆◆◆◆. This rating reflects visitor expectations at this type of accommodation where quality is seen to be more important than facilities. The same minimum requirement for facilities and services applies to all Guest Accommodation from 1 to 5 diamonds but the number of diamonds awarded is based on cleanliness, service and hospitality, bedrooms, bathrooms and food quality.

## If you need to complain

If you do not receive the service you expect then you should take this up directly with the proprietor. If you are still not satisfied, you should write to the organisation which has carried out the inspection. These organisations do not, however, undertake to obtain compensation for complaints.

For information on where to park your car, please contact the nearest Tourist Information Centre.

## Public Transport *use the bus or train*

There has never been a better opportunity to get to and from the Cleveland Way by bus or train than there is now. Rail services connect to York, Malton, Thirsk, Middlesbrough, Great Ayton, Whitby, Scarborough and Filey. In addition bus services can get you to the start at Helmsley from York, Malton or Scarborough.

Take advantage of the Moorsbus network. These buses connect with many of the previously unserved western parts of the Cleveland Way such as Sutton Bank, Osmotherley, Carlton Bank and Clay Bank. Try the Cleveland Way Explorer service. It has been provided especially for you! Details are available on **01845 597000** or [www.moors.uk.net/moorsbus](http://www.moors.uk.net/moorsbus)

For details of all bus and train services contact one of the Tourist Information Centres listed in this Guide and ask for the free Public Transport guides and the Moorsbus timetables, or call **0870 6082608** or visit the transport page on the Cleveland Way website – [www.nationaltrail.co.uk/clevelandway](http://www.nationaltrail.co.uk/clevelandway)

### *a day by day guide*

Ever wondered how to walk the Cleveland Way over a series of days using public transport? The following table provides you with a guide to doing just that, so that walkers no longer need to bring two cars to the route in order to walk each individual section. The table is laid out in day sections that correspond with the official guidebook written by Ian Sampson. The public transport options suggested include Moorsbus, which operates on Sundays and bank holidays from Easter to the end of October and every day over the summer holidays.

## European Visitors

If you are arriving at Hull using North Sea Ferries, you should be landing at about 8.00am. The ferry company will provide a bus to take foot passengers to Hull Railway Station. From Hull Station you can catch a train to Scarborough and a bus on to Helmsley (128). On finishing the walk you can catch either a bus or train directly from Filey back to Hull.

## Cleveland Way Passport Scheme

The Cleveland Way Passport is now available, sponsored by the Black Sheep Brewery. You can get the passport stamped at places on or near the route and when it's complete send it for a free certificate to mark your achievement on the Cleveland Way. You can get your passport from the National Park address at Helmsley or from any of the Information Centres listed at the end of this guide.

## Cleveland Way Heritage Adventures

You can select some of the Cleveland Way's heritage highlights by looking at our Heritage Adventures leaflet produced with English Heritage and the YHA. The leaflet is also available from the National Park address at Helmsley and from the Information Centres listed at the end of this guide.

## Cleveland Way Websites

The official Cleveland Way website is available through [www.nationaltrail.co.uk](http://www.nationaltrail.co.uk). This site provides a wealth of detail and background information to help you make the most of your visit to the Cleveland Way. It includes a searchable database of facilities and accommodation. The main private website for the Cleveland Way is available on [www.clevelandway.co.uk](http://www.clevelandway.co.uk). This site offers a bed and breakfast reservation service and details of baggage transfer services as well as guidebook/map sales and a walkers' chatline.

## Cleveland Way Merchandise

There are a number of different products that you can purchase to remind you of your experiences on the Cleveland Way. Cloth badges, stick badges and lapel badges are available from Helmsley Tourist Information Centre. Hand crafted Cleveland Way plaques are available from Cromwells of Ocean View, Coble Heads, Robin Hood's Bay. For details telephone **01947 881089** or e-mail [cromwell@the-bay.demon.co.uk](mailto:cromwell@the-bay.demon.co.uk)

## The North Sea Trail

Look out this year for details of the North Sea Trail. The North Sea Trail provides walking opportunities which enable people to explore the heritage of the North Sea coast. In the North York Moors, it takes the coastal stretch of the Cleveland Way as well as offering circular walk routes through landscapes rich in a natural and cultural heritage unique to this area. You can discover more by visiting [www.northseatrail.co.uk](http://www.northseatrail.co.uk)

## Cleveland Way Official Completion Books

The official completion books for the Cleveland Way are held at both the Country Park Stores in Filey Country Park – just a few hundred metres from the finish at Filey Brigg and at Filey Tourist Information Centre. Feel free to sign either book.
